SUArt Galleries is the largest exhibition venue at Syracuse University for the visual arts. Located in the Shaffer Art Building, the Galleries was established in 2007 by merging the Joe and Emily Lowe Art Gallery and the University Art Collection into one entity. The renovated facility hosts a variety of temporary and permanent exhibitions throughout the year in its nearly 10,000 square feet of exhibition space. The new department's mission is to enhance the cultural environment of the University and the Syracuse area through meaningful educational experiences and encounters with the University's permanent collection and traveling exhibitions.
